Old Business:

Youth from Indian Falls did a super job. They invited us to an evening devotion and it was great.

Chrismons: We will cut out Chrismons at our Sept. meeting. We will use Styrofoam plates and patterns. It will help if members can bring scissors and/or exacto knives. Everything else will be provided.

Sunshine in the Park—very hot day—several churches—interesting day.

Sept 13th Fellowship Meal with Eleanor Stern. We will eat at 5pm. Eleanor will present a program on Clara Barton and then we will have dessert. Janie, Marcy, Eloise and Nancy S will make brownies and Nancy will get vanilla ice cream. It will be a dish to pass for the meal.

New Business:

Rummage Sale: We have so much to sell. Janie suggested that we start the sale on Wed. It was decided to run the sale Wed 9 to 3; Thurs 9 to 3; Fri 9 to 5; and Sat 9 to 11.

Flowers by the sign out front—just for information. Rusty thinks the ladies should take care of this area. He wants to mulch the whole area. We will think about it—but probably not leaning toward mulch.
